## 1. Prihod v Ajdovščino v petek zjutraj / Arrival to Ajdovščina on Friday morning

Zaradi obsežnih del na križišču tik po izhodu iz avto ceste in zaradi potencialne preobremenjenosti AC izvoza Ajdovščina, posadkam svetujemo, da servisna vozila in ekipe uporabijo izvoza na AC:

- **Izvoz Razdrto (42)** iz smeri Ljubljana ali Koper
- **Izvoz Selo (3)** iz smeri ITA.

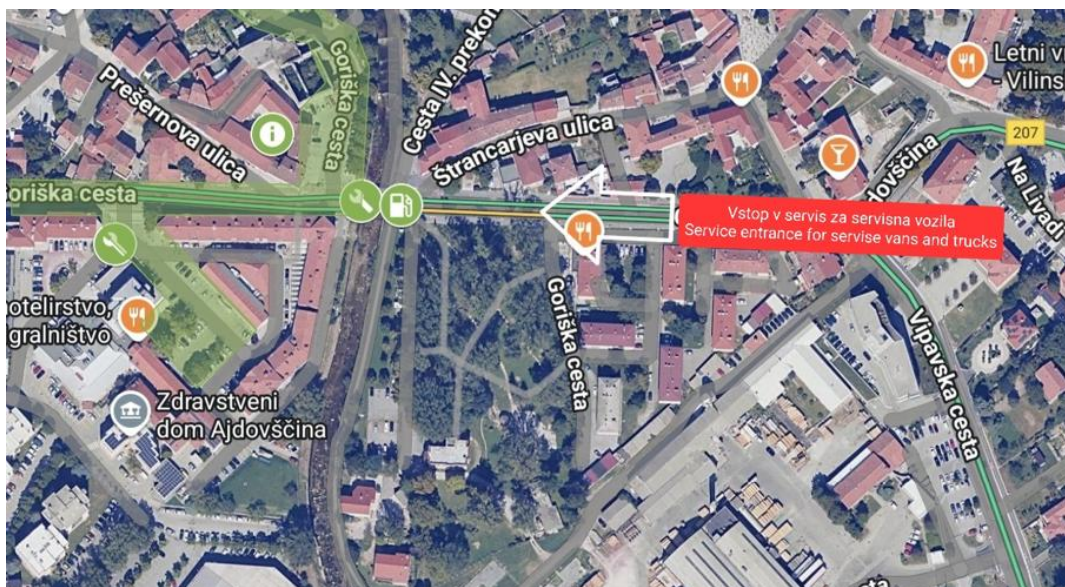

Due to extensive roadworks at the junction immediately following the motorway exit, and to avoid potential congestion at the **Ajdovščina** exit, we advise crews, service vehicles, vans, and trailers to use the following motorway exits:

- **Exit Razdrto (42)** when arriving from Ljubljana or Koper.
- **Exit Selo (3)** when arriving from Italy (ITA).
